Upon receipt of your application form, your child will be placed on the waitlist and the centre co-ordinator will contact you to advise the availability of places. Please note, the completion of the application form does not guarantee immediate placement. Parents will be placed on the waiting list and advised as soon as a place becomes available.

Upon being offered a position, parents will be sent a comprehensive enrolment form and Parent Handbook. The enrolment form must be completed and returned prior to your child’s commencement date, along with a current copy of your child’s immunisation record, birth certificate and a refundable security deposit (the security deposit is refundable provided the Centre is given four weeks notice for the withdrawal of your child from the Centre on an enrolled day).

Orientation: All new enrolments are welcome to visit the centre prior to commencement, for orientation.
